Hey Craig – I’ve been waiting to get the Visio version to update the Area 207 according to your image you sent, but Lisa hasn’t sent it to me and she left. If I get it later, I’ll give it a shot, but go with what you have for now. We’ll get it cleaned up as soon as we can.

Thanks, and ttys.

Deliberative Process/Ex. 5

everyone for helping out!

Talk to you in the morning and thank you

P.S. I’ll send you separate files I have in the next email in case you need better quality for printing.
